LEADERSHIP  
FOUNDATION  
*Today's Hope for Tomorrow's Leaders*

2016 | YEAR IN REVIEW

# Mission Statement

Hope Leadership Foundation's mission is to reach inner-city youth and develop them into the Godly leaders of tomorrow. Our goals are first to model, mentor, and encourage kids to excel in all that they do by supporting their efforts in education, goal setting, and positive reinforcement through sports and recreation. Second is to provide structure, support, and guidance in developing their character by meeting their spiritual and physical needs in a very tangible way. Thirdly, we aim to model, and teach each child how to serve, respect, and give back to the community in which they live. In doing this, we hope to pave the way for each child to pursue their goals and dreams.

*“One individual  
life may be of  
priceless value to  
God’s purposes,  
and yours may be  
that life”*

# *Vision Statement*

Our vision at Hope Leadership Foundation is that we will impact hundreds if not thousands of young people with hope and opportunity. We want to provide a hope in a God that loves them and opportunities to fulfill dreams and explore life to its fullest. We aim to prepare today's youth to be tomorrow's leaders locally, nationally and internationally. We desire to help youth realize and actualize their potential by providing spiritual mentorship, educational and athletic support along with exposure to the arts, while helping them meet their most basic needs. We desire to see San Diego changed one kid at a time.

Your annual contribution is a critical component for the work we do at HLF. We are extremely thankful for your generosity over the previous years and would welcome the opportunity to discuss how we may continue to serve together.

May God richly bless you!
