WE LAUNCHED MENTORING!

Our mentoring program launched at Laurel Elementary School with 8 mentors that meet weekly for 1 hr with their matched mentees! Our mentors have currently dedicated 10 hrs of their time with our students.

PARTNERS:

WE ARE THANKFUL...

In 2018 we achieved significant positive impact in some of San Diego's most challenging communities. We could not achieve our goals without the faithful support of donors, volunteers and corporate sponsors. Together, we can accomplish anything.

I would personally like to extend a heartfelt thank you to all who participated in the collaborative process of changing lives.
