# OUR PATH OF HOPE IN 2022:

We had an amazing start to 2022 with a special Culinary Experience at North Coast Calvary! Our elementary and middle school kids learned how to make pizza pockets, salad-on-a-stick and decorate cupcakes.

Our 2nd annual High School Winter Retreat in Big Bear was full of laughter, snowball fights, competitions, and casting vision for 2022. This retreat has been incredibly fruitful providing a safe place for our kids to open up and process their struggles.

For Galentine's Day we celebrated our sweet high school girls! We painted pottery and enjoyed God's beautiful creation at Sunset Cliffs.

We held our 9th annual City2Surf outreach again in Del Mar. Surf Sessions and Christian Surfers provided one-on-one surf lessons for 45 kids.

The San Diego Fair was a huge hit this summer! We took two groups and no one got sick!

Canyon Springs Church joined hands with our HLA students to do a service project at the blue school. We freshened up the iconic MLK Jr. mural, painted over graffiti, and mulched the garden area.

HLA Takes LA! From Chinatown to Hollywood, our high school students got to experience iconic spots around LA while having deep conversations about culture, life, and Jesus.

We partnered with 10X Academy and held a Robotics Day Camp in Escondido where the kids learned how to code and assemble robots.

WindanSea Surf Club taught 25 HLA kids how to surf with a special day at the beach.

Our 2022/23 after-school academies were relaunched! We now operate three different academies downtown with elementary, middle, and high school students.

Our Night of Hope fundraiser and live auction was unforgettable. Darryl Strawberry shared a powerful message of hope and redemption and our students stole the show with their heartfelt stories.

Unveiling hosted a scavenger hunt where our older girls followed clues around town and had a full day of fun activities. The highlight was making Chinese dumplings at a private cooking class.

HLA sponsored 32 Thanksgiving meals for the winners of the Turkey Trot at King Chavez!

Our amazing elementary students organized and gave away 125+ bags of food for a community service project.

Over 275 volunteers made this year's Toys for Hope outreach possible! We blessed 2,100+ families in Logan Heights with free toys, groceries, haircuts, hot meals, and fun. Everyone heard the meaning of Christmas and left with a smile on their face.

## JANUARY - FEBRUARY

## MARCH - APRIL

## MAY - JUNE

## JULY

## AUGUST

## SEPTEMBER - OCTOBER

## NOVEMBER - DECEMBER

We always go all out for Spring Break because these kids are worth CELEBRATING! Despite the challenges they face, they show up every day determined to reach their full potential. We went to Dave & Busters, a trampoline park, The Ninja Factory and even to church!

Some of our students gave up their Saturday to give back and serve at Calvary San Diego's Special Needs Egg Hunt. They made us so proud!

Go Padres! We were blessed with free tickets to six games this season and got to spend quality time with our academy kids and even their families!

Summer nights are the best with free movie nights in the park!

Our first Middle School Girls Retreat with Unveiling was amazing! Our theme was "Made for More" and we spent three days focusing on the lies our culture tells us about our worth and how to replace them with God's truth.

We took 44 students and leaders to Pine Valley for summer camp! Along with eating s'mores and team building activities, we spent 4 days learning how to establish a new legacy in Christ.

A huge shoutout to the outstanding drama crew at Santa Fe Christian school! They facilitated an improv class for our middle school kids and we laughed until we cried for two hours.

Campus Crusade UCSD rallied together a group of young adults to host a fun day for us at Mission Beach. It doesn't matter how old our students are or how cold the ocean is, they're always ready to jump in.

October was full of field trips! We went to the Safari Park, biked around Coronado on surreys, and did the floating obstacle course at the Plunge Pool.
